

measurements: inches (or picas); board: 16 x 20 inches; scale: .333 inches = 1 inch

**Notes**

1. Use *both sides* of board. Mount one two-page spread on each side.

2. Mount pages as *designer spreads*; see below.

3. No matter what size your pages, *center* each spread with equal space on sides. Separate all pages with 1/8 inch (.125) board space.
